

# Ag 接着剤

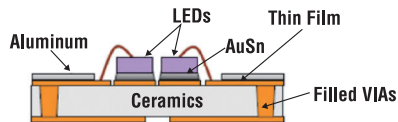

## Targeting Market of TANAKA Ag Adhesives

### TANAKA line-ups

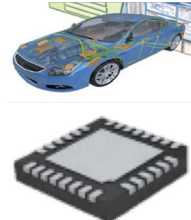

### Optical device such as LED & LD

- AuSn alternative
- Substrate: ceramics

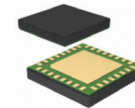

### Power device such as SOP, QFP

- For automotive, etc
- Pb solder alternative
- Substrate: metal frame

### RF device such as power amp.

- For mobile phone, base station
- Substrate: print circuit board

### Comparison of Thermal Conductivity
